

To update your email address on the current platform:

1. Login to the [platform](#).
2. Go to your Profile.
3. Confirm or replace the email address.
4. Save the information via the Apply button.

The screenshot shows the cdmv user profile page. The top navigation bar includes 'Home', 'Messages', 'Cart', 'eServices', 'Profile', and 'Logout'. The 'Profile' link is highlighted with a circled '2'. Below the navigation bar, there is a search bar and a 'User | Administration' section. The 'User' section is expanded to show 'Personal Information', 'Credit Card', 'Maintenance', and 'Preferences'. The 'Personal Information' section is further divided into 'Details' and 'Change Password'. The 'Details' section contains fields for 'First Name', 'Middle Name', 'Last Name', and 'Email Address'. The 'Email Address' field is highlighted with a circled '3'. The 'Change Password' section contains fields for 'Username', 'New Password', and 'Verify Password'. The 'Apply' button is highlighted with a circled '4'. The bottom navigation bar includes 'Cart', 'eServices', 'Profile', and 'Logout'.
